

## Tata Consulting Engineers (TCE) Inaugurates new office at Airoli

Tata Consulting Engineers (TCE) has moved to a larger office complex at Empire Tower, Airoli with effect from 13<sup>th</sup> November 2017. The formal pooja was conducted in the office premises and office inauguration was done by TCE's Chairman Mr Padmanabhan. The inauguration was marked by the lighting of the lamp by Mr F N Subhedhar, Mr A P Mull, Mr Shyamal Gupta, Ms Hema Ravichander (Independent Director), Mr P K Ghose (Independent Director) and Mr Amit Sharma (Managing Director).

Ribbon cutting by TCE Chairman, Mr Padmanabhan

Senior management welcomed with bouquets

The office has a seating capacity of about 1000 spread across a sprawling 90,000 sq feet. The office is designed with an open concept with minimal false ceiling and enclosed spaces giving it an open, transparent feel. TCE employees enjoy the view through glass panes from the cafeteria and large recreation rooms.

The premise houses the various business units, corporate functions and dedicated engineering centres. The facility is a state-of-the-art office space with meeting rooms, voip call facilities, video conferencing, quiet rooms, discussion rooms etc
